

WYNNE HOME PRESENTS

Fabric Etching Workshop August 27-29

Artist Instruction by Tamara Chasteen

Participants will have the unique opportunity to use the artist's personal collection of antique copper tjaps (batik stamps) in addition to trying traditional free hand techniques. The focus will be on layering color using wax resist to reserve color and to produce secondary color through overdyeing. Products will include cotton and silk items from white goods purchased from the artist or brought to class by the participant. Batik is great for salvaging stained or faded garments. Age requirement 12yrs +. This class is ideal for any skill level.

WYNNE HOME PRESENTS  
Batik Workshop September 24-26  
Artist Instruction by Tamara Chasteen

Devor\* is the process used to make etched or burn out fabric. Devor\*, a French derivative meaning "to devour", aptly describes the process of "eating away" an area or layer of fiber to create decorative etched designs. In addition to dyeing stock patterns of Devor\* silk fabrics, participants will create unique etched designs using the Devor\* burn-out technique on velvet and satin fabrics. Age requirement 12 years +. See registration information on last page.
